

November 02, 2025: On the dis-United States of Donald Trump and Elon Musk LLC

I am alerting the world: **Donald Trump and Elon Musk, along with the large group of Freemasons that formed them, are attempting to purchase the USA and its military to re-create the 'old company town.'**

Look at history, look at the facts. Realize the truth! WE ARE BEING HUNTED BY HUMAN BEINGS THAT BELIEVE THEY ARE DEMONIC PREDATORS. THE USA IS IN DANGER.

I HAVE DONE MY VERY BEST TO WARN EVERYONE THAT I COULD!

Legal Evolution and Demise

- **The New Deal Era:** Federal legislation in the 1930s and 40s, such as the National Labor Relations Act and the Fair Labor Standards Act, weakened the corporate power base by protecting workers' rights to organize and outlawing scrip payment.
- **The "Company Town" Doctrine:** A key legal challenge came in the Supreme Court case *Marsh v. Alabama* (1946), which established the "company town doctrine". The Court ruled that a privately owned town that functions as a public place must respect residents' constitutional rights (in that case, the right to distribute religious literature). This ruling applied the "state action" doctrine, holding that some private entities can be held to the same standards as government actors if they perform essential public functions.
- **Incorporation:** Many old company towns eventually became regular public cities and towns, attracting other businesses and adopting standard municipal forms of government with elected officials and public services. [🔗](#)

Modern Legal Status

While traditional, oppressive company towns are largely a thing of the past due to these legal changes, modern equivalents exist in new forms, such as large corporate campuses or special districts created through local government law that defer to private governance. These arrangements still face legal scrutiny regarding public accountability and residents' rights. [🔗](#)

Old Town Road

Song by Lil Nas X

I'm gonna take my horse to
the old town road
I'm gonna ride 'til
I can't no more

Lyrics

Yeah, I'm gonna take my horse to the old town road
I'm gonna ride 'til I can't no more
I'm gonna take my horse to the old town road
I'm gonna ride 'til I can't no more (Kio, Kio)

I got the horses in the back, horse tack is attached
Hat is matte black, got the boots that's black to match
Ridin' on a horse, ha, you can whip your Porsche
I been in the valley, you ain't been up off that porch, now

Can't nobody tell me nothin'
You can't tell me nothin'
Can't nobody tell me nothin'
You can't tell me nothin'

Ridin' on a tractor, lean all in my bladder
Cheated on my baby, you can go and ask her
My life is a movie, bull ridin' and boobies
Cowboy hat from Gucci, Wrangler on my booty

Can't nobody tell me nothin'
You can't tell me nothin'
Can't nobody tell me nothin'
You can't tell me nothin'

Yeah, I'm gonna take my horse to the old town road
I'm gonna ride 'til I can't no more
I'm gonna take my horse to the old town road
I'm gonna ride 'til I can't no more
I got the hor-
